Short video, Dr Wallach says there is a cure for Rheumatoid Arthritis but your quack doctor doesn't want you to know about it. I was given a round of antibiotics for an infection from a cat bite, soon after taking this generic version given to me by a local pharmacy after requesting the non generic version I started having arthritis issues in my hands, so here is what I discovered. If you or someone you care about is ill, try typing the problem into your search engine and then add Dr Wallach or Dr Glidden with it and see what kind of info it gives you.

For example: Calcium and Magnesium deficiency symptoms, Dr Peter Glidden.

You may be surprised by what you learn,
